LIS distribution of websites that link to goinggreenhouse.com

The LIS (Link Influence Score) is a trust value that shows the influence of a linking page on the search engine rankings of the linked web page. A link from a website with a high LIS has a higher influence on the rankings of a website than a link from a website with a low LIS.

The LIS is calculated based on the quality and the quantity of the websites that link to a website. The LIS ranges from 0% (small influence on the rankings) to 100% (very high influence on the rankings of the linked pages).
